3rd RENEWED PETITION TO WITHDRAW HOLDING OF ABANDONMENT

SIR:

This "3rd RENEWED PETITION" is in response to the "Decision on Petition under 37 C.F.R. 1.181" mailed on May 23, 2007 (hereinafter "3rd Decision"), which "3rd Decision" maintained the holding of abandonment contained in the "Decision on Petition under 37 C.F.R. 1.181" mailed on January 29, 2007. In the 3rd Decision, it was indicated that the "quantity of English text provided for the translation of figure 4 appears to be more than the quantity of the original text of figure 4." In response, please find attached a new translation of Figure 4 which identically corresponds to the original text of Figure 4, and which translation is fully supported by the original specification. In the attached new translation of Figure 4, Applicants have maintained the variables "etadzw," "dzw," "KFETADZW," and "wnwaö," since these variables have been used in the original English translation of the

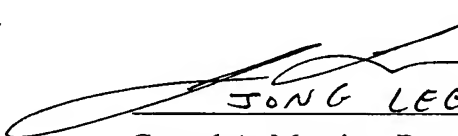

specification (with accompanying descriptions of the corresponding meanings). In addition, "zünd-UT" has been translated as "ignition bottom dead center," and "zünd-OT" has been translated as "ignition top dead center."

In view of the attached translation of Figure 4, it is respectfully requested that the holding of abandonment of the present application be withdrawn.

Although no fee is believed to be required in connection with this matter, if any fee is required, the Commissioner is authorized to charge **Deposit Account of Kenyon & Kenyon LLP, Deposit Account No. 11-0600**. A copy of this petition is enclosed for that purpose.

Respectfully submitted,
KENYON & KENYON LLP
